LIFE PHILOSOPHY

"Doing good thing is doing God's thing"

MOST PROUD OF

Goal yet Process oriented

I know that we have some certain goals in our life but the process to getting it is crucial for our development

One step at a time...

Similar with idea to the moon, step-by-step, yet quick and calculated

International Exposure

Competed, Present, think, and act as global citizen since high school

STRENGTHS

Hard-working

Curiosity-driven

Motivator

Machine Learning

Computer Programming

Music Production

LANGUAGES

Indonesian

English

German

EDUCATION

B.Eng.(S.T.) in Telecommunication Engineering

Telkom University

Aug 2018 - Ongoing Bandung, ID

Sub-Major: Digital Signal Processing

High School

SMAN 3 Denpasar

Aug 2016 - Jun 2018 Denpasar, ID
